

READ THIS FIRST

The REDCAT is designed for:

- The **AR-15, M-4 and M-16**

Compatible with:

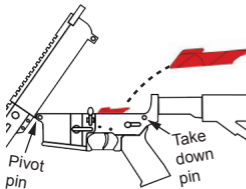

- Most AR-10s, LR-308s and LAR-10s

Not compatible with:

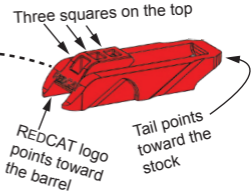

- Newer Sig Sauer ARs
- Older Colt ARs with the sear block mod
- Some drop-in triggers that occupy space directly above the hammer pin

THE AR PLATFORM VARIES WIDELY. PLEASE VERIFY FIT AND FUNCTION BEFORE FIRST USE

QUICK START GUIDE

1. Unload and clear all ammo
2. Pull takedown pin
3. Separate upper and lower

4. Install REDCAT as shown
5. Close upper and lower and reinstall takedown pin

VERIFY CORRECT ORIENTATION BEFORE USE
